§ 1242.19 Electric power systems (account XX-19-21).

Separate common expenses on basis of common expenses of electric power purchased or produced for motive power (accounts XX-51-68 and XX-52-68).

§ 1242.20 Highway grade crossings (accounts XX-17-22 and XX-18-22).

Separate running and switching common expenses according to distribution of the running and switching portions only of common expense accounts listed in § 1242.10, Administration—Track (account XX-19-02).

§ 1242.21 Station and office buildings (account XX-19-23).

If the sum of the direct freight and the direct passenger expenses is more

than 50 percent of the total charges to this account for an accounting division, separate the common expenses on the basis of the directly assigned expenses in this account for the accounting division involved. If the sum of the direct freight and the direct passenger expenses does not aggregate to more than 50 percent of the total charges for an accounting division, the common expenses should be separated on the basis of special test. Where common expenses exist in an accounting division but the direct expenses are applicable to only one service, i.e., freight or passenger, the common expenses shall be separated on the basis of a special test. If the accounting is performed on a system basis rather than by accounting divisions, the common expenses shall be separated on the basis of a special study.

§ 1242.22 Shop buildings—locomotives (account XX-19-24).

Separate common expenses according to distribution of common expenses in the following accounts:

Machinery Repair (XX-26-40)
